

SAVE *the* LISTER

The Lister Block (located at the corner of James Street North and King William Street) and its neighbouring heritage buildings are in imminent danger of demolition and a valuable heritage landscape will be lost to Hamilton forever.

Call on City Council to deny the demolition permit for the Lister Block as the developers have not lived up to their obligations set out in April of 2005 and proved the need for demolition. It is not in the public interest to make a decision without the facts, especially when \$30 million in taxpayers dollars will be invested in this project.

On June 12th, 2006, Hamilton City Council will vote on whether to issue a demolition permit for the historic Lister Block. Come to the meeting and show your support for saving the Lister Block. The meeting starts at 3pm in the Council Chambers.
